Yrs Sincerely

unusual operation
on the abdomen of an
old Village Lady ---
who had a large tumour
in her abdomen.
All the officers of the
Victoria Hospital and
all the Subassth Surgeons
& Physicians attached
thereto witnessed the
operation which was
rather tedious and

attended with numerous
Complications. The whole
operation took two hours.
The effect of this operation
on the officers & subassth
Surgeons was ~~impressive~~
educative & impressive of
the Capacity of an old
man who is nearing his
60th year. The numbers
of the staff men & women
young and old were
all admiration. To the
